## 2022 “Wood Bat Classic Baseball Tournament” Rules

### Playing Rules

- **Games**

- Home team will be decided by coin toss prior to each pool game
- Home team will be the higher seed during Championship game
- A regular game will be six innings. 10 run mercy rule will be used after 4 completed innings, 8 mercy run rule will be used after 5 completed innings. No new innings may be started after 1 hour 45 minutes of game play, except in case of tie. In the event of a tie, 1 extra inning will be played in order to break the tie. If the game remains tied, the score will stand as a tie. This does not apply to the championship game.
- Any game that may need to be suspended for weather will be continued from the point of stoppage. An official game is considered 4 innings, (3 & 1/2 innings if home team is ahead.)

- **Playing Time**

- Batters do not need to play the field. You may bat only 9 players, 9 players & an EH, or your entire lineup. Players are not permitted to change their position in the batting lineup. Batters may not occupy more than 1 position in the offensive lineup.
- If a player is unable to bat due to injury, if you do not have a substitute (a player that is not in the batting lineup), that at-bat will be an automatic out. (\*\* If the injury is severe enough to warrant medical care, the tournament director may be petitioned to waive this rule.)
- Any of the starting nine players (ten, if the EH is being used) may be removed and re-enter once, provided such player occupies the same batting position whenever he is in the line-up. A starting player can only re-enter while his team is on defense. A substitute player who is removed may not re-enter.
- If you are batting your entire lineup then free substitution in the field is permitted.
- Each team is encouraged to play all their players, but there is no minimum mandatory playing time.

- **Sportsmanship**

- Harassing of opposing players, coaches or umpires will not be tolerated in any form; this rule also includes any fans. Anyone breaking this rule will be asked to leave the complex area immediately, NO EXEMPTIONS. Dugout cheering must cease as pitcher begins his pitching motion.
- At the umpire’s discretion, players and coaches are subject to ejection for throwing equipment, un-sportsmanlike conduct, foul language, malicious contact... etc. Any player that is ejected for “malicious contact” is suspended and cannot participate in their next game. Malicious contact is unnecessary contact with intent (or high likelihood) to cause injury.
- If a coach or player is ejected twice, they are barred from the tournament.
- Protests shall only be based on incorrect interpretation of rules, not on umpire judgment calls (i.e. safe/out, fair/foul, etc.) and must be formally and properly lodged with the umpire in charge of the game at the time the manager believes a rule was incorrectly interpreted. In the event a proper protest is lodged, the Wood Bat Tournament director will meet at the affected

field and decide the protest before the game resumes. Before protesting a call, remember that we're here to promote sportsmanship and be examples to our young men.

- **Awards**

- Team trophies/medals will be awarded to the 1<sup>st</sup> and 2<sup>nd</sup> place teams.

- **Batting**

- All bats must be wood bats (NO COMPOSITE BATS.)
- Once a player shows bunt on a pitch, they may not swing away on that pitch. Violators will be called out. No wiggling the bat when attempting a bunt will be tolerated. Violators will be given one warning. A second violation will result in the batter being called out.
- Dropped Third Strike
  - 9u & 10u: Batters may not attempt to advance to first
  - 11u & 12u: Batters may attempt to advance to first on a dropped third strike if first base is unoccupied or there are 2 outs. Other runners may advance at their own risk.
- Home run balls must be returned to the umpire for handling/presentation.

- **Pitching**

- Pitchers cannot pitch more than 6 innings per game, 6 innings per day and 12 innings in the entire tournament. One pitch constitutes an inning.
- Once a pitcher is removed from a game, he cannot re-enter the game as a pitcher.
- Balks will be called after a pitcher has received one warning (per game). The warning will be an immediate dead ball. (For 11u and 12u only)
- Coaches are allowed one mound visit per inning, per pitcher. The pitcher will be removed on the second mound visit. If a pitcher is injured, it will not count as a mound visit as long as no game strategy is discussed.

- **Base running**

- If a play is being made on a runner, the runner must slide OR avoid contact. The umpire may call out any runner who fails to slide and does not avoid contact. Any FLAGRANT contact may result in ejection of the player from the game and/or the tournament. Fielders are NOT permitted to block bases. The decision of the umpire is FINAL.
- Head first sliding to a base is not permitted. Head first sliding back to a base will be permitted.
- A courtesy runner may be used for the pitcher or catcher with 2 outs in an inning. The courtesy runner must be a player not in the game at the time. If no bench player is available, the player who made the last out shall be used.
- Stealing/Leads
  - 9u & 10u:
    - Runners may not leave the base until the ball is past the batter.
    - Stealing of all bases is permitted.
    - When a pitcher is in contact with the pitcher's plate (rubber) and in possession of the ball and the catcher is in the catcher's box ready to receive delivery of the ball, base-runners shall not leave their bases until the ball has been delivered and has reached the batter. Once the pitcher and catcher have established position, a runner who is not on-base must return to their base. Any runner that taunts while off their base or leaves a base after their position is

established has taken an illegal lead. As such, the team will be given one warning. If it occurs a second time, the runner will be called out.

- 11u & 12u:
  - Stealing of all bases is permitted with unlimited leads.
